"Something to Reflect Upon..."

This is how Christ appears to us 99 percent of the time in ordinary, simple, everyday ways rather than in dramatic and awesome events. The resurrected Christ walked with men on the road to Emmaus, he had a fish dinner with Peter, and I am convinced that all of us are invited to have such experiences and encounters NOW.

"U.S. Poverty Myths"

Myth: All U.S. children have equal opportunities to succeed in school.

The Reality:

*Children born poor, at low birth weight, without health coverage, and who start school not ready to learn often fall behind and drop out.

*Teachers in high poverty schools are more likely to have less experience, less training and fewer advanced degrees than teachers in low poverty schools.

*22 percent of children who have lived in poverty do not graduate from high school, compared with six percent of those who have never been poor.

*32 percent of students who spent more than half of their childhoods in poverty do not graduate.

(Children's Defense Fund, 2010; Annie E. Casey Foundation, 2012)

Trinity's Vision

We believe Jesus Christ calls us to be His true disciples. Trinity chooses to use the unique gifts given to us by the Holy Spirit to become a shining example of God's love to each other and our community.

Trinity's Mission

Grounded in Christ's love and surrendered to the Holy Spirit, we provide a safe and positive environment for spiritual growth of all, to welcome and serve others, to reach out to those in need and to share the Gospel.
